GLASS MUGS & THERMOSES

Enjoy your coffee or tea even when it's too cold outside!

NEW **2022**

MODELS:

Gold ▪ Gold Maxi ▪ Cafe ▪ Tea ▪ Vanilla ▪ Gusto ▪ Gusto Maxi

Double wall mugs and thermoses made of borosilicate glass keep the ideal heat of the liquid inside, without heating the outer wall of the product. This material is strong and durable. Mugs made of traditional glass have silicone lids and holders and they are your ideal takeaway travel mugs.
